ABOUT ME

I am passionate about technology and learning. I thrive in creative and collaborative environments, always emphasizing teamwork, communication, and solution-finding. I believe that adaptability and reinvention are added values that I can bring to any company I join.
I am ready to contribute in roles such as data entry, support, help desk, testing, and development.

EXPERIENCE

2016 - 2023	PC AND NETWORK TECHNICIAN, CUSTOMER SERVICE CYBEROCK CAFÉ, CANELONES I performed maintenance on equipment, networks, and infrastructure, as well as provided customer service both in-person and online, offering a variety of services. I managed procedures with organizations such as the DGI, BPS, and municipalities. I was responsible for creating, writing, and designing documents, handling cash, and invoicing. During this time, I worked as part of a team to find practical solutions and demonstrated the ability to handle multiple situations simultaneously with agility.
2014 - 2016	PC TECHNICIAN, GRAPHIC DESIGNER CYBERNET, SAYAGO / PRADO I performed computer and network repairs, provided advice and sales of IT supplies, and worked on graphic design for brochures and social media management.
01/2014 - 05/2014	WAREHOUSE AND LOGISTICS (SEASONAL) BOOKSHOP S.A. At the Bookshop warehouse, previously located in Andrés Martínez Trueba, Montevideo. I was responsible for organizing and managing orders for other branches and recording new book arrivals in the system.
